PROFILE

Seeking a position in an organization where I can use my educational and professional skills to reach organizations goal while also concurrently upgrading my skills and knowledges.

EDUCATION

B.Sc COMPUTER SCIENCE AND ENGINEERING   2018 - Current
DAFFODIL INTERNATIONAL UNIVERSITY
Currently, I'm now in 11th Semester and my current CGPA is 3.73

HSC SCIENCE   2017 - 2018
SATKHIRA GOVERNMENT COLLEGE
Passed from Jessore Board and my GPA was 4.58

SSC SCIENCE   2015 - 2016
SATKHIRA GOVERNMENT HIGH SCHOOL
Passed from Jessore Board and my GPA was 4.78

WORK EXPERIENCE

Java-Based Microservice Solutions Development   June'21 - Current
MySoft Summer vInternship 2021
Java is my favourite language. It is quite difficult to get an internship opportunity in the language of our choice. MySoft and BUET eSRD-Lab have given me this opportunity. I'm so grateful to them

Management Trainee   April'21 - Current
Youth School for Social Entrepreneurs
Mainly, I joined here to increase my extracurricular activities and skills as well. I owe a lot to this organization for my skills like Teamwork, Ledership, Self Management etc.

Teaching Prefect   Spring Semester'21
Daffodil International University
I always like to teach people. So, whenever I got the chance to teach other students I grab the chance without thinking twice.

Internship at GAO TEK.INC   February'21 - June'21
Daffodil International University
This was my first internship and I didn't want to miss this opportunity. I was there in Tech-Support Team.
